The block colours on the top and bottom of the pages are representative of the 12 tribes of Isra-El (people of G-d.) What is your favourite colour? These colours are taken from the Kohen ha Gadol or High Priests Breastplate Jewels for the 12 tribes of Israel.

The Breastplate Jewels are printed on the label of the CD.

On P.2. is the 7 branched Menorah. It has been included simply because it is for "all" YHWH'S people. *All the tribes!* Something Christians may not have not heard of.

The seven branches *are* explained. It tells us what is expected of us as YHWH'S followers.

(The seventh branch words "fear of" really mean *The offering of oneself to*, not FEAR, as we translate it into English.
